

DEMOCRATS FOR DREIER

July 23, 2008

Dear Fellow Democrat:

One of the problems facing our country is that so many elected officials back in Washington, D.C. put party loyalty ahead of problem solving. We see it on the news and read about it every day. Partisan attacks and party line votes persist while we miss opportunities for real solutions.

Congressman David Dreier is a different kind of leader. He is a passionate advocate for the San Gabriel Valley and the Inland Empire.

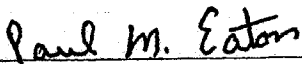

~~What matters to David is that there are problems to solve and he is in a position to help.~~
He knows that partisanship only stands in the way of progress – and he refuses to get caught up in it.

Whether it's helping keep local hospitals open, supporting local public safety, transportation projects or a host of other issues where our local needs require federal support, David has always been there to do the heavy lifting.

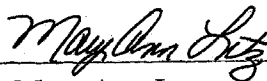

David is exactly the kind of leader we need in Washington right now. He has the know-how to get things done. We are proud to support David in his campaign for Congress. His service and commitment to our communities will continue to benefit all of us in this district.

We are strong Democrats who are proudly voting for Congressman David Dreier. We urge you to do the same.

Sincerely,

Paul Eaton
